Ordering Refills

Once your prescription has been received by WB Rx Express, you have three convenient ways to request refills.

1. When allowed, WB Rx Express will automatically enroll you into an auto refill program. This program is designed to ensure you do not miss any doses with the convenience of receiving your medications on schedule in the mail.
2. Refills may be ordered by phone by calling 833-391-0126. Please remember to have your credit card information and the prescription number ready.
3. Download the RxLocal app and refill prescriptions from your phone.

About RxLocal

- To get started, download “RxLocal” from the App Store or Google Play. You will need a WB Rx Express prescription number. The prescription number is in the upper left-hand corner of the label on your medication container.
- Select medication(s) for refill and deactivate medication(s) you are no longer taking.
- Receive notifications when your medication is ready to be filled. You will be prompted to confirm your medication and a tracking number will be provided once it has been fully processed.
- See the date the supply ends from your previous fill. For your safety, refill orders placed too early cannot be filled and may be put on hold until the earliest fillable date.

Delivery Times

Please allow two weeks for delivery from the date you submit your order. Your order will be delivered to the address you requested by United Parcel Services or first-class US mail. In case of emergency, prescriptions can be shipped overnight with an additional charge.

Generic Drugs

Generic medications will be substituted for brand name medications when available and allowed by the prescribing physician. WB Rx Express utilizes only those generic medications rated highest by the FDA.

Service & Safety

WB Rx Express has registered pharmacists to review each prescription for accuracy before dispensing and perform checks to assure all prescriptions are dispensed correctly. We maintain computerized patient profiles to prevent adverse reactions with other prescriptions you are receiving from WB Rx Express. Should any questions arise regarding potential adverse reactions, our pharmacist will contact you or your doctor before dispensing the medication.

Payment Options

WB Rx Express accepts MasterCard, Visa, Discover, American Express, personal checks and money orders. If you are paying by check or money order, WB Rx Express must receive these forms of payment before shipping your order. You can add or update credit card information by contacting WB Rx Express.
